**Adjustment:** Parolee Fraley has shown a poor adjustment to parole supervision so far this term. The night he paroled he left his residence all night, failed to charge his tether causing it to power off and later admitted to drinking that night. On 11/17/16 he contacted Agent Hester and was in Hurley Hospital due to being physically assaulted. He informed Agent Hester that the night he went out, he was partying and flirted with a female and ended up getting jumped by three males for it. He did not contact the police and took himself to the hospital. That same day Agent Hester met with Parolee Fraley at the hospital and verified with staff that he had been beaten severely.
